Proposal Submission Process

Per UC policy, all proposals for extramural funding must be submitted through the Sponsored Programs Office (SPO) for institutional review and approval.

- Exceptions:
 - Limited submission pre-proposals
 - Letters of Intent (LOIs) or pre-proposals that do not require:
 - A budget
 - Institutional signature
 - Agreement to terms & conditions
- Relevant Policies:
 - [C&G Manual 2-200](#)
 - [UC Contract and Grant Manual 1-500 Principal Investigator Guidelines](#)
 - [Memo – Operating Guidance No. 95-1](#)
 - [Standing Orders of The Regents of the University of California – Duties of the President of the University](#)

Proposal submission at UC Davis is a 2-stage process:

1. An **Internal Processing Form (IPF)** (also referred to as a “proposal”) is routed through **Cayuse SP** for required internal approvals.
 - a. The IPF is certified by the PI and Co-PIs, and authorized by the department chair(s) and additionally, for the Schools of Medicine and Veterinary Medicine, by the dean’s office.
 - b. Once certifications and authorizations are made, the IPF routes to the Sponsored Programs Office (SPO) for institutional review and approval.
 - c. **For full review by a SPO analyst, the certified and authorized IPF with minimum required attachments (see [Necessary Documents](#) section below) must be received by SPO at least five (5) business days before the sponsor deadline.**
 - i. A full review covers PI & institutional eligibility, campus & sponsor requirements, financial & regulatory compliance and, if applicable, sponsor terms & conditions.
 - d. **Certified and authorized IPFs that arrive in SPO with less than five (5) business days before sponsor deadline, will receive limited or no review.**
 - i. Limited reviews cover the indirect cost rate, based on information as submitted, and additional items as time allows.
 - ii. For limited and no reviews, SPO reserves the right to negotiate at time of award.
 - e. IPFs are also created and routed for post-award actions that require approval (authorization) from the PI’s academic unit.
 - i. Examples: change of PI; change of Admin Unit; changes to cost-sharing; major budget revisions
2. A **proposal is submitted externally to the sponsor** via a sponsor-accepted **electronic Research Administration (eRA) system**.
 - a. **Cayuse 424** is used for most Federal sponsors.
 - i. It is linked system-to-system to grants.gov and is used in place of grants.gov Workplace.
 - ii. NASA uses its **NSPIRES** grants management system.
 - iii. NSF uses **Research.gov**.

Cayuse SP Auto-generated Numbers

Cayuse SP creates identification numbers for each Project, Proposal, Award and Subcontract/Subaward.

1. Project Number (e.g., A25-5432)

- The Project is the overarching folder that contains a Proposal or Subcontract/Subaward and all subsequent actions, such as resubmissions, awards, amendments, or renewals.
- The Project number is established by the Sponsored Programs Office (SPO).
- Your SPO analyst will link each stage of a grant or contract to the overarching Project number.

2. Proposal Number (e.g., 25-5555)

- Created by Cayuse SP when the Internal Processing Form (IPF, aka “Proposal”) is created.
 - The IPF is the electronic document someone populates, adds attachments to, then routes for internal approvals at UC Davis.
- The Proposal number does not match the Project number.

3. Award Number (e.g., A25-5432-001)

- Created by Cayuse SP when an Award is added to the Project.
- The Award number is the Project number plus three digits at the end that indicate the number of Awards in that Project.
 - The first Award is “Project Number-001”, the second is “Project Number-002” and so forth.

4. Subcontract (Subaward) Number (e.g., A25-5432-S001)

- Created by Cayuse SP when a Subcontract (Subaward) is added to the Project.
- The Subcontract Number is the Project Number plus three digits at the end that indicate the number of Subcontracts in that Project.
 - The first Subcontract is the “Project Number-S001”, the second is the “Project Number-S002” and so forth.

Dotted line from **Award** to **Subaward** represents an Outgoing Subaward (i.e., UC Davis is the recipient of a Prime Award and forwards funding to another institution).

- An Incoming Subaward (i.e., UC Davis is forwarded funding from another institution that received a Prime Award) is generally entered as an **Award**.

Necessary Documents

At a minimum, the following documents must be attached for an IPF (Proposal) to be assigned to a Sponsored Programs Office (SPO) analyst for review.

1. **Completed and fully routed IPF**, including:
 - a. **Certifications** by Lead Principal Investigator and Co-Principal Investigator certifications
 - b. **Authorizations** by relevant unit head(s), and dean's offices, if applicable
2. **Scope of work**
 - a. A draft may be submitted, but the final scope of work must be provided to SPO before submission to the sponsor
3. **Budget spreadsheet**, strongly recommended even when not required by the sponsor.
 - a. For internal budgets, use the [OR Budget templates](#).
4. **Budget justification**, strongly recommended even when not required by the sponsor.
5. If there are Subawards (*visit SPO's [Prepare a Proposal with Subawards](#) webpage for additional guidance and materials*):
 - a. Subrecipient budget
 - b. Subrecipient budget justification
 - c. Subrecipient scope of work
 - d. Subrecipient biosketches
 - e. Subrecipient monitoring form
 - f. Appropriate Subrecipient Commitment Form
6. If your proposal involves the **School of Veterinary Medicine**, upload the **Adjunct SVM Questions form**.
 - a. Contact the SVM Dean's office to request the form.

SPO also suggests uploading any other required internal documents for the project **before** routing the Proposal for review and approval.

1. **To establish PI Eligibility:** [Form 105: Request for Exception to Policy on Eligibility to Undertake Sponsored Research/Other Sponsored Activity](#) before submitting for routing to avoid needing to obtain signatures from the unit head and dean, if applicable.
2. Cost-sharing commitment letters

Other proposal materials may be provided after assignment, if necessary. Refer to our [Proposal Preparation Checklist](#) to ensure all items are provided in the proposal package.

Access Cayuse SP

1. Cayuse recommends you use **Mozilla Firefox**, **Google Chrome** or **Apple Safari**, but **Microsoft Edge** apparently works as well.
2. Login to: <https://ucdavis.cayuse424.com> with your Kerberos ID and Password.

The image shows the UC Davis Central Authentication Service (CAS) login page. At the top is the UC Davis logo in yellow and blue. Below it, the text "UNIVERSITY OF CALIFORNIA" and "Central Authentication Service (CAS)" are displayed. The login form includes a "Username:" field with the text "amieadmin" and a "Passphrase:" field with masked characters. A blue "LOGIN" button is at the bottom.

- Email ORCayuseHelp@ucdavis.edu if you (or another) are not able to login. Include the following information for the person to be added:
 - Full Name
 - Kerberos ID - this can differ from the user's UC Davis email
 - UC Davis Email
 - Home Unit
 - Will they be acting as a PI? Yes or No
 - Employee ID # (if you have it)

3. Select **Cayuse SP**.

The image shows the Cayuse Research Suite interface. At the top is the "cayuse Research Suite" logo. Below it, the text "Cayuse Research Suite" and "3.8.1" are displayed. The interface is divided into three sections: "Research Administration Modules" with a list containing "Cayuse SP (Sponsored Projects)" and "Cayuse 424"; "System Administration Applications" with a list containing "Backbone", "Research Contacts", and "Workflow"; and "Application Help" with a list containing "Research Suite Support Center".

Submit a Letter of Intent or Pre-Proposal

A letter of intent (LOI), preliminary proposal (pre-proposal), white paper, or other similar application material must be routed as an IPF (Proposal) in Cayuse SP to the Sponsored Programs Office (SPO) for review and approval if it requires:

1. A **signature** on behalf of an Authorized Representative
2. A **budget**, and/or
3. Acceptance of **terms and conditions** at the proposal stage

Note: Only the lead PI must be listed on the IPF

To submit a LOI, pre-proposal, concept paper, etc. to SPO:

1. **Start New Proposal** as in the instructions immediately below to **Create and Submit an Internal Processing Form (IPF; aka “Proposal”)** with the following differences:
 - a. **Start New Proposal (General Information)** form
 - i. **Proposal Type:** Select **LOI/Preliminary Proposal**

* Short Project Name:	03/12/2020 Apple WCEF	(internal reference name)
* Project Start Date:	05/01/2020	Clear
* Project End Date:	04/29/2022	Clear
* Activity Code:	Click Here to Choose Activity Code 01 Basic Research	
* Proposal Type:	LOI/Preliminary Proposal ▼	
* Instrument Type:	Grant ▼	

- b. **Investigators/Research Team** form
 - i. Add **only** the **Lead Principal Investigator** and those needing access to edit the Proposal (**Proposal Editor** or **Other Participant (no routing)**)
 1. Co-PIs and other senior/key personnel need not be listed.
 2. If the Lead PI does not have PI status, SPO recommends you [Request Exception to Principal Investigator \(PI\) Status](#) (internal link; you are currently on page 7) at this stage.
 - a. However, it is not required at this stage.

List of Personnel:								
Person	Unit	Role	Sponsored Effort	Cost Shared Effort	Total Effort	Allocation of Credit	Person Months	
Charlie Apple	VM: Ctr for Equine Health (072043)	Lead Principal Investigator	30%	0%	30%	100%	2.7	Edit Delete
Amie Admin	OVCR - Sponsored Programs (061821)	Proposal Editor	0%	0%	0%	0%	0	Edit Delete

- c. Complete the remaining IPF (Proposal) forms to the best of your knowledge at the LOI/pre-proposal phase.

Create and Submit an Internal Processing Form (IPF; aka “Proposal”)

The screenshot shows the 'My Dashboard' page of the cayuse SP system. The 'Proposal Dashboard' section is highlighted, and the 'Start New Proposal' link is enclosed in a red box. Other links visible include 'My Proposals', 'Proposals In My Unit', 'Advance Account Inbox', 'Award Dashboard', 'My Awards', 'Awards In My Unit', 'Certifications/Approvals', 'PI Certification Inbox', and 'Unit Approval Inbox'. At the bottom, contact information for the UC Davis Sponsored Programs Office is provided.

Create and submit an IPF for:

- New proposals
- Supplemental proposals
- Proposal resubmissions
- After-the-fact (ATF) proposals
- Amendments to awards (*when Dept. approval is required*)

1. Select **Start New Proposal** under **My Dashboard**.

Start New Proposal (General Information form)

1. **Start New Proposal:** Complete all fields for which you have information even if not indicated as required with a red *.
2. **Sponsor:** Enter the agency/organization to which UC Davis is applying for funding.
 - a. If the funding is flow-through, such as when UC Davis is a Subrecipient, list the Prime Applicant/Recipient in the **Sponsor** field.
 - b. Select the magnifying glass.

The screenshot shows the 'Sponsor Information' form. It contains five input fields: 'Sponsor' (with a magnifying glass icon), 'Funding Opportunity/Sponsor application No:', 'Sponsor Program Name:', 'Proposal Guideline URL:', and 'Prime Funding Agency:' (with a magnifying glass icon). The 'Sponsor' field is highlighted with a red box.

c. Enter part of the sponsor's name and select **Search**.

The screenshot shows a search interface with the heading 'Enter a keyword to locate the organization you are looking for:'. Below this is a 'Keyword:' label followed by a text input field containing 'NIH'. There are three buttons: 'Search', 'Cancel', and 'No Sponsors'.

- d. Select the sponsor from the list.

Organization Search (choose the organization by clicking the name)
Foundation for the National Institutes of Health Incorporated (FNIH)
NIH AIDS Research & Reference Reagent Program
NIH Cooperative Human Tissue Network
NIH Molecular Libraries Small Molecule Repository
NIH National Cancer Institute (NCI)
NIH National Center for Advancing Translational Sciences
NIH National Center for Biotechnology Information
NIH National Center for Complementary and Integrative Health
NIH National Database for Autism Research

- i. If the sponsor is not listed, repeat the search again using a different part of the sponsor/funding agency name.
- ii. If the sponsor is still not listed, repeat the search again and select **Miscellaneous Sponsors** as a placeholder.
 - A. Do NOT select **No Sponsors**.
 - B. Provide the sponsor's information in the **Submission Notes** form, which will appear in the left column once you select **Save** at the bottom of the **Start New Proposal** page.

3. **Funding Opportunity/Sponsor application No.:** Enter the relevant number from the sponsor's funding opportunity announcement, if applicable.

Sponsor Information	
* Sponsor: ⓘ	NIH National Center for Complementary and In 🔍
Funding Opportunity/Sponsor application No:	RFA-AT-20-003

4. **Sponsor Program Name:** Enter the program name from the sponsor's funding opportunity announcement, if applicable.

Sponsor Information	
* Sponsor: ⓘ	NIH National Center for Complementary and In 🔍
Funding Opportunity/Sponsor application No:	RFA-AT-20-003
Sponsor Program Name:	Discovery and Biological Signatures of Diet-Dei

5. **Proposal Guideline URL:** Enter the website address of the proposal guidelines, if applicable.
- a. If the proposal guidelines are not available online, upload them instead in the **Proposal Attachments** form, which will appear in the left column once you select **Save** at the bottom of the **Start New Proposal** page.

Sponsor Information

* Sponsor: ⓘ NIH National Center for Complementary and Integrative Medicine ⓘ

Funding Opportunity/Sponsor application No: RFA-AT-20-003

Sponsor Program Name: Discovery and Biological Signatures of Diet-De

Proposal Guideline URL: <https://grants.nih.gov/grants/guide/rfa-files/RFA>

6. **Prime Funding Agency:** If the proposal is for flow-through funding, such as when UC Davis is applying as a subrecipient, indicate here the prime sponsor that the prime applicant institution is applying/has applied to for funding.

a. **Leave this field blank if the proposal is not for flow-through funding**

8. **Primary Administrative Contact:** This is the person the Sponsored Programs Office (or the UC Davis Health Clinical Trials Contracts Office) should contact regarding the proposal, often the person preparing it.
- Select the magnifying glass.

A form titled "General Proposal Information" with a light blue header. It contains four fields: "Admin Unit" (with a red asterisk), "Primary Administrative Contact:" (with a red asterisk), "Proposal Owner:", and "Project No:". The "Primary Administrative Contact:" field has a magnifying glass icon to its right.

- Enter the admin contact's last name and select **Search**.

A search dialog box with the title "Enter the last name of the person you are looking for:". It contains a text input field labeled "Last Name Only:" with the word "admin" entered. Below the input field are two buttons: "Search" and "Cancel".

- Select the administrative contact's name.

A "People Search" results window with the title "People Search (choose the person by clicking the name)". It displays a single result: "Admin, Amie" with a blue underline, and "OVCR - Sponsored Programs" to its right.

- Proposal Owner:** This field auto-populates with the name of the individual creating the proposal.

The "General Proposal Information" form with populated data: "Admin Unit" is "Sociology", "Primary Administrative Contact:" is "Amie Admin", and "Proposal Owner:" is "Amie Admin". The magnifying glass icon is still present next to the "Primary Administrative Contact:" field.

9. **Short Project Name:** This field is an internal identifier to aid reviewers. Instructions on how to complete it are also included at the top of the **Start New Proposal** screen.
- Enter the **[Sponsor Deadline (or the date Admin Office review is requested by) in MM/DD/YY format] + [Principal Investigator Last Name] + [Sponsor]** (e.g. "03/15/2025 Apple NIH")

A form field for "Short Project Name:" with the text "03/15/2020 Apple NIH" entered.

Proposal Type	Definition
New	Proposal submitted for the first time, including a proposal for an unfunded research collaboration.
New – Graduate Studies	New graduate student or postdoc fellowship. Directs this IPF to the Office of External Fellowships, Division of Graduate Studies
New – UC Davis Health	New submission for 100% industry-funded interventional clinical trial protocol submissions to the UC Davis Health Clinical Trials Contracts Office *
Non-Competing Continuation/Progress Report	Not used for proposals. The Sponsored Programs Office (SPO) does not require an IPF for progress reports.
Revision (competitive)	Federal proposal submitted to expand budget or scope of current award.
Renewal (competitive)	Federal proposal submitted for funds subsequent to current award.
Resubmission	Federal unfunded proposal submitted again after modification within 37 months of the new application.
LOI/Preliminary Proposal	Letter of intent or preliminary proposal for new funding if the sponsor requires a budget amount, agreement to terms and conditions at this stage, or institutional approval (endorsement or signature).
Supplement	Proposal submitted to continue a previously funded project or for additional funding for work not initially anticipated.
Recurring Contract	The Sponsored Programs Office (SPO) does not use.
After-the-Fact (ATF)	Award is received though there was no proposal submitted to the sponsor, or the PI/department submitted a proposal directly to the sponsor without Sponsored Programs Office (SPO) review and approval.
Prior Approval	To request sponsor approval for an award modification (such as PI change) when the sponsor requires the request come from the Sponsored Programs Office (SPO). Otherwise, submit the prior approval request directly to the sponsor.

Termination	The Sponsored Programs Office (SPO) does not use.
Administrative Action	To request department (and in SOM and SVM, dean's office) approval for department or PI change.

* Note: For submissions to the [UC Davis Health Clinical Trials Contracts Office](#), you may want to refer to the [Cayuse SP Handbook for Department Industry-Funded Clinical Trial Staff, PIs and Approvers](#).

13. **Instrument Type:** Select the appropriate Instrument Type/Award Mechanism from the dropdown list as indicated in the sponsor's funding opportunity announcement.

Instrument Type	Definition
Grant	An assistance relationship where the Principal Investigator has significant freedom to change the emphasis within the general area.
Contract	A procurement relationship that is a legally binding contract with detailed financial and legal requirements, a specific work statement, and/or a specific set of deliverables and/or reports due to the sponsor.
Cooperative Agreement	A project involving significant scientific or programmatic involvement from the sponsor. Scientific or programmatic staff may assist, guide, coordinate or participate in the project.
Non Monetary Agreement	An agreement that does not include money.

14. **Select Submission Method.** Select as appropriate. **Cayuse 424** is used for funding opportunities offered through grants.gov (in place of Workspace).

a. NSF has discontinued use of FastLane. For NSF submissions select **Research.gov**.

15. **Affiliated Unit(s)**: Click to add an affiliated UCD unit. This is primarily used when submitting an amendment (or Administrative Action) that will result in a changed Admin Unit or changed unit for key personnel. Add the prior unit(s) here so they can approve the change in addition to the newly assigned unit(s) added in other sections.

16. **Sponsor Deadline**:

- a. Enter the time due in **24-hour format** (i.e., 5:00 pm = 17:00) and select **Pacific** for our time zone.
 - i. You can click on the **calendar icon**  to select the date from the calendar.
 - ii. The deadline will usually be based on **Receipt** rather than **Postmark**.

17. **Title of Project**: Enter the full title of the specific project.

18. **Do Not Pair the Proposal**. Though three buttons at the bottom of the screen suggest you can pair the proposal, do not select any of them. The pairing feature creates undesired technical issues.

19. Select **Save**.

After saving the **Start New Proposal** page, a column of forms will appear to the left.

- The **Start New Proposal** form is now titled **General Information** and a **green checkmark** indicates it is complete.
- To submit the IPF (Proposal) for routing, complete each form so that a **green checkmark** displays next to it.
 - When all forms but **Submission Notes** have a **green checkmark**, the **Submit for Routing** button at the bottom will become clickable.

Investigators/Research Team

Confirm the Lead Principal Investigator (PI) is an eligible investigator according to sponsor guidelines.

If the Lead PI is eligible per the sponsor but does not have PI eligibility at UC Davis, attach a completed [Request for Exception Form 105](#) to the IPF before it routes for approvals.

- For additional guidance on this subject, see [Requesting Exception to Principal Investigator \(PI\) Status](#) (internal link. Note you are currently on page 16), which immediately follows this **Investigators/Research Team** section.
1. Starting with the **Lead PI**, add all key personnel as well as others who need edit access to the Proposal or view access to the Award in Cayuse SP.
 - a. Contact the OR Cayuse Help Desk (ORCayuseHelp@ucdavis.edu) if a person is not listed.
Provide their:
 - i. Full Name
 - ii. Kerberos ID - this can differ from their UC Davis email
 - iii. UC Davis Email
 - iv. Home Unit
 - v. Will they be acting as a PI? Yes or No
 - vi. Employee ID # (if you have it)
 - b. Add the **Primary Administrative Contact** (IPF creator) as a **Proposal Editor** if they also need access to any associated awards.
 - c. Add anyone else requiring edit access of the IPF as either a **Proposal Editor** or **Other Participant – No Routing**.
 - i. All other roles will require the relevant unit head(s) approval of the IPF.
 2. Select the magnifying glass next to the **Last Name Only** field.

The screenshot displays the 'Investigators/Research Team' section of the Cayuse SP interface. The main form, titled 'Add Personnel Information', includes fields for Last Name, First Name, Phone, Email, and Person Months. A magnifying glass icon is positioned next to the Last Name field. A search modal is open, prompting the user to 'Enter the last name of the person you are looking for:' with a text input containing 'apple' and buttons for 'Search' and 'Cancel'. The background form also contains a 'List of Personnel' section which currently shows 'There are no personnel added to the proposal'.

3. Enter the person's last name and select **Search**.

4. Select the person's name.

People Search (choose the person by clicking the name)

5. **Unit:** Ensure the **Unit** listed is the unit associated with the individual's effort on the project.

a. To change the unit, place your cursor in the **Unit** field and select the appropriate unit from the list.

i. Do NOT select a unit indicated as **Non Admin/Home** or that reads: **(Use #####)**. Instead, find and select the unit code listed in parenthesis.

Add Personnel Information

* Last Name:

* First Name:

* Unit:

* Role:

6. **Role:** Select the individual's **Role** on the project. See below for list of **Role** definitions.

a. The only Roles that do not require authorization of the IPF by the individual's unit are **Proposal Editor** and **Other Participant – No Routing**.

b. As indicated in this table, the PI (indicated as the **Lead Principal Investigator** in Cayuse SP) and all Co-PIs (indicated as **Principal Investigators** in Cayuse SP) must certify the IPF.

i. Personnel added as **Investigators** do not certify the IPF.

Cayuse SP Role	Definition (Use)	Edit Access	Certification Required	Unit Approval Required
Lead Principal Investigator	The lead investigator of the overall project. If the sponsor allows multiple Program Directors/Principal Investigator (PD/PIs), this would be the contact PI. <i>Cayuse 424 Translation: PD/PI</i>	X	X	X
Principal Investigator	This role should only be selected if the sponsor allows multiple PIs. Other roles that may fall under this designation include Research Scientist, Research Specialist, Research Associate, or Scholar. <i>Cayuse 424 Translation: PD/PI and co-PD/PI</i>	X	X	X
Investigator	This individual is considered to be a primary contributor to the successful conduct of a research project; any person who is responsible for the design, conduct, or reporting of research. <i>Cayuse 424 Translation: Co-Investigator</i>	X		X

10. **Allocation of Credit:** Though not indicated as required (with a **red star**), **Allocation of Credit** must equal 100% across all key personnel entered.

- Allocation of Credit** demonstrates the contribution of the senior personnel for a specific project. This data will be used for ad hoc reports from campus leadership regarding investigator productivity and contribution to campus research. These reports are often requested in such contexts as retention, space allocation and invitations for panel discussion participation, etc.
- If **Allocation of Credit** is not indicated, the Sponsored Programs Office (SPO) will allocate credit equally across the Lead Principal Investigator and Co-Investigators.

Request Exception to Principal Investigator (PI) Status

UC policy states that only qualified members of the Academic Senate and appointees in other eligible title groups listed in the UC Academic Senate policy may submit proposals **without** the need for an exception.

- UC Davis policy on PI eligibility: [UC Davis Policy and Procedure Manual – Section 230-02 – Eligibility to Undertake Sponsored Research](#)

If the PI is eligible per the sponsor but does not have PI eligibility at UC Davis:

1. Complete and obtain the appropriate signatures on [Form 105: Request for Exception to Policy on Eligibility to Undertake Sponsored Research/Other Sponsored Activity](#).
 - a. The requestor/applicant (who seeks PI status) must sign the form.
 - b. If the exception request is for a student or post-doc, identification of and signature by an Academic Senate member who will have overall responsibility for the project or program is required.
 - c. If Form 105 is submitted **after** routing the IPF for approval, the relevant unit head/department chair (and dean's office for School of Medicine and School of Veterinary Medicine) must also sign the form.
2. Upload the signed form as a **Proposal Attachment** in the relevant IPF.

3. The request for exception will be reviewed as part of the SPO review process.
 - a. If the request is approved, the SPO analyst will upload the approved form as a Proposal Attachment in the relevant IPF.
4. To attach Form 105 to an IPF (Proposal) that has already been submitted, from your **Proposal Dashboard** in Cayuse SP, find the relevant IPF either under:
 - a. **My Proposals** if you are the **Primary Administrative Contact** or are named on the **Investigators/Research Team** form of the IPF
 - i. Select the **Submitted Proposals** tab.
 - b. **Proposals In My Unit** if you have been granted **Proposal Data Access** by your unit's Role Manager.
5. Once you find the IPF, click on the **Prop No** (Proposal Number)
6. This brings you to the **Proposal Routing Status** screen. Select the paperclip tab and add Form 105 there.
 - a. As indicated above, if Form 105 is submitted **after** routing the IPF for approval, the relevant unit head/department chair (and dean's office, if applicable) must sign the form.

Budget

1. A completed budget form is required for mandatory reporting requirements.
 - a. Use an [OR Budget Template](#) to prepare a detailed internal (to UCD) budget for your project.
 - i. Copy figures over from your completed budget spreadsheet to this form.
 - b. You may refer to the [Budget Development](#) webpage for additional instructions on preparing a proposal budget.
2. **Budget Form:** Select the **Summary** Budget Form.
 - a. As you will be attaching a detailed internal budget, a **Summary** budget is sufficient.

 - a. Select **No**.
 - b. To avoid routing issues, **the Sponsored Programs Office (SPO) Proposals Analysts prefer to add the cost-sharing themselves** based on attached letter(s) of commitment.
 - i. View [Guidance for submitting proposals/IPFs that involve cost sharing](#) to determine the necessary documentation.
 - ii. Add a note under **Submission Notes** (towards the bottom of the **Item List** in the left column) along these lines: "As instructed, we have left it to SPO to add the cost-share based on the attached letter(s)."
 - c. Cost-share that is added to Cayuse SP and authorized by the unit head is not considered approved.

- i. A signed letter of commitment is the only acceptable cost-share approval.

The Protection Level Classification Standard is the UC Systemwide Data Classification for assessing the adverse impact that loss of confidentiality, integrity or availability of Institutional Data.

Please select only ONE data protection level option. Only the highest data protection level selected will be reported as the selected data protection level for your proposal.

- a. Institutional Information and related IT Resources whose unauthorized disclosure or modification could result in significant fines, penalties, regulatory action, or civil or criminal violations. Statutory, regulatory and contract obligations are major drivers for this risk level. Other drivers include, but are not limited to, the risk of significant harm or impairment to UC students, patients, research subjects, employees, guests/program participants, UC reputation, the overall operation of the Location or essential services.
☐ P4 – High - Statutory ☐ Not Selected
- b. Institutional Information and related IT Resources whose unauthorized disclosure or modification could result in small to moderate fines, penalties or civil actions. Institutional Information of which unauthorized use, access, disclosure, acquisition, modification, loss or deletion could result in moderate damage to UC, its students, patients, research subjects, employees, community and/or reputation; could have a moderate impact on the privacy of a group; could result in moderate financial loss; or could require legal action. This classification level also includes lower risk items that, when combined, represent increased risk.
☐ P3 – Moderate - Proprietary ☐ Not Selected
- c. Institutional Information and related IT Resources that may not be specifically protected by statute, regulations or other contractual obligations or mandates, but are generally not intended for public use or access. In addition, information of which unauthorized use, access, disclosure, acquisition, modification or loss could result in minor damage or small financial loss, or cause minor impact on the privacy of an individual or group.
☐ P2 – Low - Internal ☐ Not Selected
- d. Public information or information intended to be readily obtainable by the public, but whose integrity is important and for which unauthorized modification is the primary protection concern. IT Resources for which the application of minimum-security requirements is sufficient.
☐ P1 – Minimal - Public ☐ Not Selected

* 4. Please indicate concurrence with the statements below by selecting "Yes":

- I understand that I must complete the financial conflict of interest disclosure requirements for this project, as applicable.
- I certify that all necessary human subject, animal subject, and/or Environmental Health & Safety approvals have been obtained prior to conducting work that requires such approvals.
- I certify that funds will be available to cover the expenditures incurred for this project in the event that the Sponsor does not provide the funds requested.

Approving Units

1. Review the listed **Approving Units**.
 - a. **Errors on this form will cause the IPF to get stuck in routing and not arrive in the Sponsored Programs Office for review.**
 - i. If there are any errors, review your entries on the:
 - A. **General form:** Admin Unit and Affiliated Unit/s
 - B. **Investigators/Research Team form:** Home unit of all personnel listed unless they are indicated with either the role of **Other Participant – No Routing** or **Proposal Editor**
 - C. **Budget form:** Internal Cost Sharing – If internal cost sharing was entered and a unit selected, remove it.
 - I. For more guidance, see the **Cost Sharing** section (#5) in the [Budget](#) form instructions above.
 - II. Contact ORCayuseHelp@ucdavis.edu for assistance if needed.
2. Re-order the **Routing Order** as appropriate.
 - a. **A numerical gap in the Routing Order will cause an IPF to get stuck in routing. Remove any gaps.**
 - b. Multiple units can have the same **Routing Order** number, which means they'll all receive the IPF (Proposal) for authorization (approval) at the same time.
 - c. A higher number will receive the IPF for authorization subsequent to a lower number.
 - d. Select a routing number for any **Dean's Office** so it occurs **after** the indicated unit authorizes (approves).
 - e. If **Intl Cost Sharing** is listed, make this the highest number in the **Routing Order** so it is last to be authorized.
3. Specific to the **School of Medicine** and **School of Veterinary Medicine**:
 - a. If an Admin Unit is in the School of Medicine and you see a Unit listed as **School of Medicine (Use 049000)**, follow the instruction:
 - i. Under **Add Approving Unit**, search for Unit Code "049000", click on the name "Med: VC/Deans Office", then click **Add Unit**.
 - b. If an Admin Unit is in the School of Veterinary Medicine and you see a Unit listed as **School of Veterinary Medicine (Use 072000)**, follow the instruction:
 - i. Under **Add Approving Unit**, search for Unit Code "072000", click on the name "VM: Deans Office", then click **Add Unit**.

4. Select **Authorize Unit Listing**.

Submission Notes

1. Add any notes regarding this proposal in the **Submission Note** field, such as:
 - a. If you selected **Miscellaneous Sponsors** for a sponsor or subrecipient, enter the name, address and contact information (person's name and phone number) of sponsor or subrecipient.
 - b. The Sponsored Programs Office **strongly recommends** a budget and budget justification be attached even if the sponsor does not require one. If a PI decides they will not be attaching one or both, enter a note indicating this so that the IPF (proposal) will be assigned to a SPO analyst for review.
 - i. **Failure to upload a budget and/or budget justification without adding such a note will result in the proposal not being assigned to a SPO analyst and instead being returned to you for correction.**
 - c. Add a note along the lines of **"See 424 proposal"** if a Cayuse 424 proposal was created.
 - d. If a different **Primary Administrative Contact** should be included for the Award phase, add a Note such as "X should be listed as the Primary Administrative Contact on the Project." This is the person who will be contacted on Award matters.
2. Select **Add Note**.

Submission Note:

Primary Admin Contact for the award will be Sheila Funds (sfunds@ucdavis.edu)

Submit for Routing

1. Select **Submit for Routing** when all sections are complete, noted by a **green checkmark** next to each.
 - a. The **Submission Notes** section does not require a **green checkmark**.
2. Select **Yes** when asked **Are you sure you wish to submit this Proposal Record?**

>>Submission Confirmation

Are you sure you wish to submit this Proposal Record?

Clicking YES will do four things:

1. The Proposal Record will be locked and can no longer be edited (except by the Admin Unit);
2. The Proposal Record will be routed to all affiliated units for review and concurrence; should any of these units reject the Proposal Record you will be notified by email of the rejection and for what reason(s);
3. The PI(s) will be notified by email that they must certify the Proposal Record in Cayuse Sponsored Projects; and
4. Ultimately, the Proposal Record will arrive in SPO for final review and approval.

Throughout these steps you, your PI, and any other contributing members listed on the Proposal Record will be able to track its review and approval status in Cayuse Sponsored Projects.

Once all affiliated units have approved the Proposal Record, you will receive an email indicating that it was successfully routed and received in SPO. If the proposal can be electronically submitted then no further action is required on your part. However, if the Sponsor requires any part of the proposal be submitted in paper copy, then any such copies, with original signatures as required, must be forwarded to SPO for a complete submission to be accomplished.

4. Review the **Approvals** tab for accuracy.
 - a. **Errors on this page will cause the IPF to be stuck in routing.**
 - b. Ensure at least one name is listed under **Authorizing Person(s)** for all units.

- i. If the **Authorizing Person(s)** column for any unit is blank or includes “OR Cayuse Help”, email ORCayuseHelp@ucdavis.edu immediately for assistance.

Role Management and Permissions

Get access to view and/or approve Cayuse SP records

1. Contact the Role Manager for the unit to which you need access.
 - a. Determine the appropriate Role Manager by one of the following methods:
 - i. From the **Cayuse Research Suite** page (first page you reach when you go to <https://ucdavis.cayuse424.com>), select **Research Contacts**, then search for the unit on the **Unit List**.
 - ii. In **Cayuse SP**, select **More** in the top toolbar, then **View Roles by Unit**, then search for the unit on the **Unit List**.
 - b. For additional guidance, see **View Unit Role Assignments** in the [Handbook for Role Managers](#).

Establish a Role Manager for your unit

1. To request the addition of a Role Manager for a unit, the Unit Head (i.e., chair or director) should email a completed and signed [Cayuse SP – Role Delegation Authorization Form](#) to ORCayuseHelp@ucdavis.edu.
2. The selected Role Manager should review the [Learn: Managing Roles in Cayuse](#) webpage, which includes a brief how-to video: [How Role Managers Add/Remove Roles in Cayuse](#).

How a Role Manager grants Roles for a unit

1. The Role Manager should either:
 - a. Go to **Research Contacts** from the **Cayuse Research Suite** page (first page you reach when you go to <https://ucdavis.cayuse424.com>), or
 - b. In **Cayuse SP**, select **More** in the top toolbar.
2. Select **Manage Roles**.
3. If the person is not already listed as a **Research Contact**, add the user and assign roles.
4. If the person is already listed as a **Research Contact**, select the user's name and assign roles.
5. For further instructions, see the [Learn: Managing Roles in Cayuse](#) webpage as well as **Managing User Roles** in the [Handbook for Role Managers](#).

Certify the IPF (Proposal) as a PI/Co-PI

As indicated in the **Investigators/Research Team** form above, the PI (indicated as the **Lead Principal Investigator** in Cayuse SP) and all Co-PIs (indicated as **Principal Investigators** in Cayuse SP) must certify the IPF.

- Personnel added as Investigators do not certify the IPF.

It is good practice to have the PI and all Co-PIs **certify the IPF immediately after it is routed** for approvals so that this step is not overlooked.

Please ensure all who must certify are asked to do so. As certifications are a campus requirement, an IPF that is missing any will not be assigned to a Sponsored Programs Office (SPO) analyst and will be returned for completion, delaying the review process.

How to certify:

1. Access the **Cayuse Research Suite** (<https://ucdavis.cayuse424.com/>)
2. Select **Cayuse SP**
3. In the left column, select **PI Certification Inbox**.
4. Select the appropriate **Proposal Number**.

In my role as an investigator, I understand and certify that:

- The information submitted within this application is true, complete and accurate to the best of my knowledge. Any false, fictitious, or fraudulent statements or claims may subject the Organization, and the **investigators personally** to criminal, civil or administrative penalties.
- I have the responsibility for the scientific, fiscal and ethical conduct of the project and to provide the required progress reports if an award is made.
- I will comply with all relevant state and federal regulations, University policies and contractual obligations, in administering the resultant award, including those found in [The Contract and Grant Manual](#).
- I have reviewed applicable U.S. Export Control requirements and University policy on Export Controls and will comply with the export control requirements.
- If this is an NIH application, I will comply with the NIH Policy on Public Access.
- I will work to ensure that my relationship with the sponsor of this project is either free of conflict of interest or consistent with a previously disclosed conflict of interest management plan.
- I attest that all known foreign affiliations and outside activities have been disclosed in the proposal/application as required by the sponsoring agency, and that those activities have been disclosed to the COIC/COI offices as applicable.
- If this proposal/project is requesting federal funding, then I attest that because 2 CFR Section 200 prohibits the use of federal funds in procuring prohibited telecommunications or surveillance equipment or certain services as described in the National Defense Authorization Act (NDAA) Section 889 (see: <https://research.ucdavis.edu/proposals-grants-contracts/spo/research-agreement-compliance/>), I will ensure no such prohibited equipment or services will be used in performance of this project. Further, as Principal Investigator of the project, I understand that I am responsible for ensuring that all personnel assigned to this project are fully informed of their obligation to comply with the above restrictions of neither purchasing, nor using any such equipment in performance of this project.
- I certify that there will not be any Russian entities contracted/paid under this proposed project.

Authorize an IPF as an IPF Approver

Users with the **IPF Approver** role in Cayuse SP may authorize (approve) IPFs (Proposals) in their unit.

1. Find and open the Proposal from the Unit Approval Inbox.

The screenshot shows the Cayuse SP interface. On the left is a sidebar with navigation links: My Dashboard, More, Proposal Dashboard (Start New Proposal, My Proposals, Proposals In My Unit, Advance Account Inbox), Award Dashboard (My Awards, Awards In My Unit), and Certifications/Approvals (PI Certification Inbox, Unit Approval Inbox). The Unit Approval Inbox is selected and highlighted. The main content area shows a list of proposals under the heading 'Unit Approval Inbox'. The list has columns: Prop No., PI, Unit, Project Name, Sponsor, Deadline, and PI Cert. The first proposal, 20-2535, is highlighted. It is by PI Apple, from the unit OVCR - Sponsored Programs, titled '12/11/2018 Apple NSF', sponsored by the National Science Foundation (NSF), with a deadline of 12/11/2018, and is not yet certified. Below the list is a pagination bar showing 'View 1 - 1 of 1' and 'Page 1 of 1'.

Prop No.	PI	Unit	Project Name	Sponsor	Deadline	PI Cert
20-2535	Apple	OVCR - Sponsored Programs	12/11/2018 Apple NSF	National Science Foundation (NSF)	12/11/2018	No

2. Determine whether the Lead Principal Investigator and co-Principal Investigators certified the Proposal.
SPO will not assign the Proposal for review until the Lead Principal Investigator and co-Principal Investigators, if applicable, certify the Proposal.

The screenshot shows the 'Proposal Routing Status' page for proposal 20-2535. It displays details such as the project title 'Socio-ecological factors in Malaria transmission', the sponsor 'National Science Foundation (NSF)', and the submission deadline '12/1/2020'. Below the details are buttons for 'View IPF', 'Authorize Proposal', and 'Reject Proposal'. A section titled 'Investigator(s) who must certify this Proposal' contains a table with the following data:

5. Review the IPF as appropriate. At a **minimum** review the following:

- General Information
 - Appropriateness of the sponsor
 - Accuracy of the administrative unit (related to indirect cost return)
- Investigators/Research Team
 - Home unit (related to effort)
 - PI eligibility
 - Reasonableness of effort commitment
 - Approval of cost-shared effort
 - Availability of key personnel to conduct the project
 - Sufficient funding for staff listed

 - Appropriateness of budget, including cost sharing
- Regulatory Compliance
 - Human subjects, vertebrate animals and/or hazardous research materials
- Subrecipients
 - Appropriateness of Subrecipients
- Foreign Activity
 - Proprietary research, foreign activities, military implications or export control
- Special Interest
 - Stem cells, boats, diving, HPC's or small business involvement
- Additional Questions
 - Leasing new space, benefits to proposal from UC Davis funding sources and health relatedness
- Location of Sponsored Activities
 - Is the space for the project adequate and available for the full project period?
 - If additional space is needed, are the appropriate commitments in place?

- ii. Select “Submit Authorization” if you “understand and assume the following responsibilities with respect to this proposal”.
 - 1. It is an appropriate activity within the Department/Center/Institute; and supports the mission of the University.
 - 2. That the Department/Center/Institute has agreed to provide the resources identified in this proposal.
 - 3. That all investigators on this proposal either have "Regular Eligibility" to be an investigator in accordance with PPM 230-02, or if they do not have "Regular Eligibility", I support their application to be a PI by Exception by my approval of this proposal and the completed PI Exception form(s) which are attached to this proposal.
 - 4. That in the event that the Principal Investigator does not complete any report or other obligation required as a result of an award based on this proposal, that my department will assume responsibility for completion of that obligation.
 - 5. When applicable, these resources could include cost sharing and the responsibility for reimbursement of costs to the University in the event that the sponsor is unable to pay the University for research expenses incurred during the period of performance of this project.
 - 6. When applicable, since University policy mandates only full-time, permanent EPA employees may serve as principal investigator (PI); with respect to this application, I approve that this individual is eligible to serve in the role of PI despite his/her part-time employment status.

Edit an IPF that has been Submitted for Routing

Once an IPF (Proposal) has been submitted for routing, it may no longer be edited. If you need to make revisions, follow the appropriate set of instructions below:

Revisions that require re-authorization (or “re-approval”) from the IPF Approvers (unit head(s), and dean’s office in the Schools of Medicine and Veterinary Medicine) are:

- Budget cost share incorrectly applied (match/in-kind)
- Effort changed from direct charge to cost-share
- Key-personnel added to the project after routing to SPO
- Subawards added to the budget after routing to SPO
- Incomplete IPF/Proposal -- see [Necessary Documents](#) above (*internal link; you are currently on page 48*)
- Other revisions representing a significant change in commitment of departmental and/or campus resources

In these cases:

1. Email ORCayuseHelp@ucdavis.edu, provide the Cayuse SP Proposal Number (e.g., 25-5555) and the Lead PI’s name, and request the IPF (Proposal) be returned to **Unsubmitted** status.
 - a. Indicate that you will need to acquire re-approval by the IPF Approver(s)
2. Once notified that the IPF has been returned to **Unsubmitted** status, make necessary edits.
3. Select **Submit for Routing** to reroute the IPF for required re-authorizations.

Minor revisions that do not require re-authorization from IPF Approvers include, but are not limited to:

- Change in project title
- Change in project dates
- Edits to the abstract field
- Minor budget edits

In these cases:

1. Email ORCayuseHelp@ucdavis.edu, provide the Cayuse SP Proposal Number and the Lead PI’s name, and request the IPF (Proposal) be returned to **Unsubmitted** status.
2. Once notified that the IPF has been returned to **Unsubmitted** status, make necessary edits.
3. Email ORCayuseHelp@ucdavis.edu or your assigned Sponsored Program Office (SPO) analyst and inform them that the changed have been made.
 - a. Do **NOT** submit for routing again.
 - b. If **Submit for Routing** is selected, all IPF Approvals already obtained will need to be re-obtained.

Identify your assigned Sponsored Programs Office (SPO) analyst

You will be notified by email when the Sponsored Programs Office (SPO) assigns your Proposal, Award or Subcontract (Subaward) to one of its analysts for review and approval.

If you need a reminder of who your assigned **Proposal or Award analyst** is, do the following:

1. If you are the **Primary Administrative Contact** or are listed on the **Investigators/Research Team** form of the associated IPF:
 - a. From the **Cayuse Research Suite** (<https://ucdavis.cayuse424.com/>), go to **Cayuse SP**
 - b. Select **My Proposals** in the left column.
 - c. Select the **Submitted Proposals** tab.
 - d. Jump to step 3 below.
2. If you are not the **Primary Administrative Contact** and are not listed on the **Investigators/Research Team** form but have been granted **Proposal Data Access** by your unit's Role Manager:
 - a. From the **Cayuse Research Suite** (<https://ucdavis.cayuse424.com/>), go to **Cayuse SP**
 - b. Select **Proposals in My Unit** in the left column.
3. Select the relevant **Proposal No.**
4. On the **Proposal Routing Status** screen:
 - a. The Proposal Analyst will be the first name next to **Specialists** at the top center of the page.
 - b. The Award Analyst will be the **Specialist** whose name is to the right of the Proposal Analyst.
5. For direct contact info, consult the Sponsored Programs Office [Staff](#).

If you need a reminder of who your assigned **Subcontract (Subaward) analyst** is, do the following:

1. If you are the **Primary Administrative Contact** or are on the **Investigators/Research Team** form of the associated IPF:
 - a. From the **Cayuse Research Suite** (<https://ucdavis.cayuse424.com/>), go to **Cayuse SP**

Submit an After-the-Fact (ATF) Proposal

If the university receives a Notice of Award for a proposal that was not submitted through the Sponsored Programs Office (SPO) for review and approval, SPO will request that you submit an After-the-Fact (ATF) proposal.

Follow the steps above to [Create and Submit an Internal Processing Form \(IPF; aka “Proposal”\)](#) (internal link; you are currently on page 56) **with the following differences:**

1. **Start New Proposal (General Information)** form.
 - a. **Short Title:** ATF for Awards/[Cayuse Project Number, if known]
 - b. **Proposal Type:** Select “After-the-Fact”
 - c. **Submission Method:** Select “Paper” and provide the sponsor’s contact information in the field that appears.
 - d. **Sponsor Deadline:** Select a date **at least seven business days** from the current date.

* Short Project Name: ATF A21-1234 Kassie Otie's Coffee Test (internal reference name)

* Project Start Date: 04/01/2020 Clear

* Project End Date: 03/31/2021 Clear

* Activity Code: Click Here to Choose Activity Code
01 Basic Research

* Proposal Type: After-the-Fact (ATF)

* Instrument Type: Contract

How will this proposal be submitted?

Select Submission Method: Paper

For Paper submissions, please enter the following information:

How many copies are required? 0

Sponsor's Mailing Address and Contact Phone Number: Jessica Cocoa, 530-555-5555, jscocoa@coffeedfund.com; send via email

Affiliated Unit(s) (if applicable): Click Here to Choose Affiliated Unit(s)

* Sponsor Deadline: 03/11/2020 Clear Time: 17:00 Pacific

Postmark: ☒ Receipt: ☐

2. Now complete all sections in the **Item List** so that a **green checkmark** appears next to all. Specific notes:
 - a. **Special Interest:** Question #5: Answer **Yes** if the Sponsor provided a draft award agreement.
 - b. **Proposal Attachments:** Upload the draft agreement (**Document Type:** ATF Award) and all other required documents for a proposal submission.
 - i. These include the scope of work, budget and budget justification. See [Necessary Documents](#) above (internal link: you are currently on page 56).
 - c. **Submission Notes:** Indicate that a draft agreement was received and provide sponsor contact information (name and email)

Submit Award Modifications

Completion of an Internal Processing Form (IPF; aka “Proposal”) in Cayuse SP is required for modifications that require approval by the department (and dean’s office in the Schools of Medicine and Veterinary Medicine).

- For all other types of award modifications, email the modification request to awards@ucdavis.edu and include the Cayuse SP Award number (e.g., A25-5555-001).
- See the [Modify an Award](#) webpage for additional guidance.

Such modifications include, but are not limited to:

1. Change in Principal Investigator
 - a. Identify the new Lead Principal Investigator as the Lead Principal Investigator on the **Investigators/Research Team** form.
2. Change in Administrative Unit of the award
 - a. Identify the new administrative unit as the administrative unit on the **General Information** form.
3. Change in cost-share commitments

Follow the steps above for [Create and Submit an Internal Processing Form \(IPF; aka “Proposal”\)](#) (internal link; you are currently on page 57) **with the following differences:**

1. **Start New Proposal (General Information)** form:

- a. **Short Title:** [Cayuse SP Project #, if applicable] + [Action] instead of the submission deadline (e.g., “A18-1234 Change in PI Apple USDA).
- b. **Proposal Type:** Select either “Prior Approval”, “Amendment” or “Administrative Action.”
- c. **Select Submission Method:** Select “Other”
 - i. Then add “Already submitted” in the field that appears.
- d. **Affiliated Unit(s):** Add old unit if changed.
- e. **Sponsor Deadline:** Pick date seven or more days from date the IPF will be routed.

The screenshot shows the 'General Proposal Information' form in Cayuse SP. Key fields and annotations include:

- Admin Unit:** Med: Intl Med- Hematology & Oncology
- Primary Administrative Contact:** Amie Admin
- Proposal Owner:** Amie Admin
- Project No:** (empty)
- Short Project Name:** A25-5555 Change in PI from Smith to Apple (annotated with a box and '(internal reference name)')
- Project Start Date:** 01/01/2025 (with a 'Clear' button)
- Project End Date:** 12/31/2029 (with a 'Clear' button)
- Activity Code:** 01 Basic Research (with a link 'Click Here to Choose Activity Code')
- Proposal Type:** Administrative Action (dropdown menu)
- Instrument Type:** Grant (dropdown menu)
- How will this proposal be submitted?:**
 - Select Submission Method:** Other (dropdown menu)
 - If Other, please describe:** Already submitted (text field)
- Affiliated Unit(s) (if applicable):** 061837 - Center For Watershed Sciences (with a link 'Click Here to Choose Affiliated Unit(s)')

2. **Budget** form:

- a. For changes in PI, Admin Unit or sponsor, only enter the required fields on the Budget form.
 - i. The amounts should be 0.
- b. If cost-share commitments have changed, enter the updated [cost-share commitments](#). (internal link; you are currently on page 57)

Advance Accounts (Pre-Award Spending)

[UC Davis policy PPM 230-06](#) provides PIs the opportunity to plan activities and under certain circumstances, begin a project before actual receipt of award funds.

An Advance Account may be established for a project prior to receipt of award **only** if all of the following criteria are met:

1. There is a compelling reason to expend funds prior to receipt of award funds.
2. There is written confirmation provided to the Sponsored Programs Office (SPO) from the sponsor's contract officer or grants management officer that an award is forthcoming.
3. The requested advance dates fall within the sponsor's anticipated award period.
4. The guidelines from the sponsor do not prohibit commitment of funds before an award is fully executed.
5. Expenditures will be in accordance with the expected budget categories and limits, sponsor guidelines and UC Davis policies and procedures.
6. There are funds available within the department, organized research unit or college/school to cover the expenditures in the event an award fails to materialize.

At a minimum, the request must include evidence of firm commitment and an alternate account number to be used in the event the project is not awarded.

- Please note that all compliance items must be received before funds are released.
 - Typically, Advance Account requests will not be approved if the project requires IRB and/or IACUC approvals that are not in place.

Subawards

Subawards are referred to as **Subcontracts** in Cayuse SP. Do not include non-subaward agreements, such as vendor or service agreements.

- For additional guidance, visit the Sponsored Programs Office's (SPO's) [Outgoing Subawards](#) page

An "Incoming Subaward" is when a Prime Applicant/Recipient institution will receive/has received an award from a sponsor and intends to forward a portion of that award to UC Davis as a Subrecipient.

- Incoming subawards are processed by SPO like regular incoming awards.

An "Outgoing Subaward" is when UC Davis is the Prime Applicant/Recipient institution and will forward a portion of an award it received/will receive from a sponsor to another Subrecipient institution.

- The information that follows is specific to Outgoing Subawards.

Submit a proposal with (outgoing) Subawards

1. Go to the [Prepare a Proposal with Subawards](#) webpage for guidance.
2. For additional guidance, see the [Handbook for Submitting Proposals with Subawards](#).

Initiate a Subaward after receiving a notice of award

1. See the [Send a Subaward Request to SPO](#) webpage for guidance.

Check Subaward Status

1. From the **Award Dashboard**:
 - a. Select **My Awards** if you are the **Primary Administrative Contact** or are listed on the **Investigators/Research Team** form of the associated award (in any role).
 - b. Select **Awards in My Unit** if you have been granted **Award Data Access** by the Role Manager for the administering unit of the associated award.

2. As it can sometimes be confusing which Award to select (i.e., “-001,” “-002,” “-003,” etc.) select the **Active Projects** tab then select the **Project Number** (which is the first 7 digits of the Award number).
